

## INTEGRATED MANAGEMENT POLICY

**SULVY II S.R.L.** is a company dedicated to and specialized in the production of anticorrosive coatings and fluid sealing, aimed at the chemical, mining, food, pulp and paper, oil, gas, and pharmaceutical industries.

Our position in the market implies the responsibility of meeting the expectations and needs of all interested parties with a strong focus on our customers, to supply them with safe and reliable products that fully meet their specifications; to be adaptable and fast in responding to their needs, and to have motivated and trained personnel.

To this end, we are committed to:

- ✓ Complying with the client's requirements, as well as legal, regulatory and applicable requirements, taking into account the context of the Organization.
- ✓ Protecting the environment by preventing pollution in the activities carried out.
- ✓ Controlling and working to reduce special waste and other significant environmental impacts that may arise.
- ✓ Maintaining mutually beneficial relationships with interested parties.
- ✓ Setting and reviewing measurable objectives, supporting the strategic decisions of Management, to ensure the continuous improvement of our processes and products and to be recognized as a company of excellence that supplies high-quality products to its Clients.
- ✓ Improving our integrated management system in a sustained and continuous manner.

This policy is understood, respected and kept up to date at all levels of the organization, and has the full support of the Management of **SULVY II S.R.L.**, who establishes, develops and applies it through its INTEGRATED MANAGEMENT SYSTEM according to ISO 9001:2015 and ISO 14001:2015.
